Go to www.warwickshireruralwatch.co.uk, get your valuables logged for FREE and if they are lost or stolen you could get them back!

IMMOBILISE
A NATIONAL PROPERTY MARKING SERVICE

Just think of all those numbers stored, documents saved and memories held. You'd want to get them back fast and if they were stolen, you'd want the thief caught. Register your belongings with IMMOBILISE, the free national property database, and you can be re-united with them fast if they are ever lost or stolen. Thieves can be more easily identified if they steal registered goods. Any item can be registered with IMMOBILISE simply by registering and adding your products. You can quickly record serial numbers, add photographs or list individual features. To find out more please visit www.immobilise.com.

Roadside Scams

The police have been contacted regarding a group targeting the area. The group have been seen stopping and approaching motorists asking for money for fuel. The team have been contacted and details of vehicles and descriptions of the offenders have been passed. The team will be doing targeted patrols to catch the scammers in the act. If you see something suspicious please contact us on 101.

Priorities

The current priorities for Rugby Rural Central Safer Neighbourhood Team are as follows:

- To carry out high visibility patrols in Wolston village, with a view to detecting and deterring offences of Anti social behaviour.

Although these are currently the main SNT priorities, we will continue to monitor any issues that have been raised previously.
