

Ryton-on-Dunsmore Parish Council
Snow Clearing Arrangements

1. This policy clarifies the Parish Council policy with regard to snow clearance.
2. The Parish Council is not responsible for and will not undertake snow clearance or gritting of public highways, pavements and footpaths in the Village. This is the responsibility of the County Highways Department.
3. The Parish Council does provide 18 grit bins around the Village for the use by members of the public to treat public roads and footpaths as they see fit (but not for use on their own properties). County Highways are responsible for filling these bins with grit.
4. Members of the public are reminded that by undertaking snow clearance or gritting of a public area they potentially take on some legal liability for any subsequent accidents. However this should not be an issue if they take reasonable care about what they do.

Adopted on 1st April 2015
